June 3/61.

Dear friend Garrison;

74

I lose no time in
sending you the accompanying
letter, just come to hand from
Mr. Kim. It is much more
encouraging, as to help for
the Standard, than his 2
previous letters have been.

You will see that Jas.
& Lucretia Mott are coming
on to Massachusetts, & are

desirous to meet our
Executive Committee while
here. It seems they are to
be at Nantucket on the 16th
(which is Sunday) & will
come to Boston 17th. I
would suggest an Exec. Com.
meeting on Monday p.m.
17th or Tuesd, 18th A.M.

And I shall leave it with
some one of you, in Boston,
to write to the Metts at
Nantucket about it. Perhaps

it will be well to give them
the choice of time of meeting;
and I would advise having
the letter at Nantucket as
early as Tuesday, 11th, that
they may choose their day,
I give us a reply in season
to notify the meeting. —

The Pennsylvania
Circular, with James Mott's
capital lithographed autograph,
is very good, and will I hope
prove effective.

If an Exec. Com. } Truly Yours
meeting has been called }
for an earlier day, it }
might be put off? }
